Based on the positive business performance exceeding expectations to date and an initial assessment of the NÜRNBERGER Group's contribution to profits in the 2026 financial year, Vienna Insurance Group (VIG) anticipates that the Group's result before taxes will exceed the previously communicated range.

The Management of VIG is therefore raising the target range for the Group result before taxes in 2026 to between EUR 1.35 billion and EUR 1.40 billion.

The update for the first three quarters of 2026 will be published as planned on 26 November 2026.
